SUBJECT: Stephen Belford

Dear Paul:

Today, I had the occasion to have a discussion with Mr. Stephen Belford. He has been out of jail for 6 months time. The original charges for endangering the welfare of a child had been reduced to lesser charges & he had been placed on probation. He was jailed for third degree larceny. During this conversation he stated that although the circumstances concerning the endangerment of the child were only conversational and that there had been no overt action, he was nevertheless gay and was continuing in that lifestyle.

Since Steve seems to indicate an interest in Scouting, I thought it would be appropriate to enter this in his file should he desire to register at some future date.

I have previously sent in appendix A, and you have previously indicated that he is on the confidential file.

Best regards:

Sincerely, Yours in Scouting

Dear Douglas:

Thank you for the material which you recently sent us concerning Stephen P. Belford. This will be most helpful to us and enable us to refuse registration should Mr. Belford attempt this in some other council.

If you have any other material which is available to you, we would certainly like to have this to strengthen our files. The more material we have the better able we are to refuse registration in other locations.

Sincerely,

Dear Paul:

Enclosed is material supporting the request to deny registration of Stephen P. Belford. In addition to pleading guilty of the charges indicated, according to Detective Richard Hutch of the Town of Poughkeepsie Police he has been twice treated against his will at the Hudson Valley Psychiatric Center. Although a direct contact homosexual episode was not proven in this specific instance, there is high suspicion that it would have happened if not caught in time and that previous (though undocumented) experiences had occurred.

The fact remains that Stephen pled guilty to "endangering the welfare of a child" which should be sufficient for us to deny registration with the BSA.

If I may be of further assistance in this matter please call.

Sincerely, Yours in Scouting

Dear Douglas:

We recently received a letter from your registrar concerning Stephen Belford. It was indicated that he has registered as an Assistant Scoutmaster in Troop 17. We were asked to remove him from the mailing list and the charter of Troop 17.

We would like more information concerning this matter. We understand that this may be an individual that we will not wish to register and who should be placed on our Confidential File.

I am enclosing a Confidential Record Sheet which I would like to have completed so that we may identify Mr. Belford should he try to register at a later time. We would like to have all the information which would document the refusal of registration.

Sincerely,

Paul Ernst, Director
